Who We Are

We aim to be your go-to brand for everything finance

We combine our proficiency with the latest technologies to offer a broad range of services acting as virtual accountants for businesses of all sizes. From budding entrepreneurs to small & medium businesses, our team of qualified professional accountants led by Suyash Sidana (Chartered Accountant) can help you add more productive hours to your day

“

Our sole aim is to ensure timely and cost-effective management of your accounts, enabling your business to grow and thrive.

”

Technology we leverage for you

Services We Provide

Accounting and Bookkeeping Services

Accurate Bookkeeping can give your business an edge. FinQuan enables you to track your day to day transactions and maintain your General Ledger, Reconciliation Statements and Charts of Accounts

Payroll

We manage all your payroll needs such as monthly salary sheet preparation, issuing form W-2s, payroll taxes, contribution to retirement plans and more

Receivables and Payables Management

From Invoice and Receipts management to payment reconciliation and preparing aging reports, you can track your cash flows at timely intervals using efficient follow-ups via emails and calls

Tax

We evaluate opportunities to limit and analyze your tax liabilities and offer appropriate solutions. We will assist you with tax forms such as 1040, 1120, 1099, 1065 and other tax forms

Why Choose Us?

Managing your Accounting and Bookkeeping should be 2 things: Effortless & Affordable. Save up to 50% cost compared to hiring a full-time accountant. Have your own responsive and dedicated accounting team. We help you, Scale-up with us and focus on your growth

The Secret To Our Success

- Qualified Accountants, Enrolled Agents, & Bookkeepers
- Dynamic & Robust Services
- Advanced Data Security
- Minimal Turn Around Time
- Excellence Delivered With A Personal Touch
- Review & Error Free Work
- Globally Competitive

Why Outsource

The good news is, knowledge no longer has to be in-house, outsource your financial woes to us. Partner with highly efficient accountants, at half the price.

Focus on core functions

Conversion from fixed to variable costs

Ability to scale

Incredible value for money helps reducing cost

Access to best talent and technology
